# **General Information**

## **THE UNIVERSITY OF SOUTHERN CALIFORNIA**

**Founded—1880**

**President—Dr. Norman Topping**

**Location—Los Angeles, California 90007**  
(Four miles southwest of the  
Civic Center in Los Angeles)

**University telephone number—Richmond 8-2311**

**Conference—Athletic Association of Western Universities**  
member since 1959

**Home Stadium—Los Angeles Memorial Coliseum**  
92,000 seating capacity, 3711 South Figueroa Street

**Colors—Cardinal and Gold**

**Nickname—Trojans**

**Fight Song—"Fight On"**

- The University of Southern California began operation with 53 students in 1880 on land donated by a Catholic, a Jew, and a Protestant. Nearly 1,000 persons, almost one-tenth of the population of Los Angeles, were present for the laying of the cornerstone on September 4, 1880.

- The first USC building, Widney Hall, was erected at a cost of \$5,060 and furnished for \$1,200. It is still in use by the School of Music.

- In its early years, USC was primarily a college of liberal arts, but it soon became a major university. USC now consists of the College of Letters, Arts and Sciences; the Graduate School; sixteen professional or specialized schools, each with its own dean or director and faculty; and University College, for late afternoon and evening classes.

- USC's sixteen schools are Architecture and Fine Arts, Business Administration, Dentistry, Education, Engineering, International Relations, Journalism, Law, Library Science, Medicine, Music, Pharmacy, Philosophy, Public Administration, Religion, and Social Work.

### **THE UNIVERSITY TODAY**

- Under the leadership of its seventh president, Dr. Norman Topping, USC is following a \$106,675,000 Master Plan for enterprise and excellence in education. The plan's major objective is a high concentration of superior scholarship with an ultimate enrollment of 20,000 and a campus expanded to a maximum of 164 acres.

- The faculty numbers more than 650 fulltime, and approximately 2,500 parttime and volunteer faculty. Doctorates are

**DR. NORMAN TOPPING**

**President of the University of Southern California**

held by 86% of the fulltime faculty (national average: less than 43%) in Letters, Arts and Sciences.

- The University reorganized the structure and curriculum of the College of Letters, Arts and Sciences in 1963 to emphasize teaching and guidance in a program of tutorial instruction and evaluation of student learning.

- Student enrollment in fall of 1963 reached 9,168 fulltime and 10,516 parttime. More than 54% of degrees awarded in June, 1964, were graduate or professional.

- New entrance requirements have resulted in the admission to USC of its finest freshman classes. Students in regular honors courses increased twelve times since 1958.

- Scholarship awards are up more than 20%; top fellowship awards have increased from 15 to 246; and student loan funds from \$90,000 in 1958 to \$1,968,050.

- The total number of degree-holding alumni exceeds 96,000. Nearly a quarter of a million students have attended USC.

- University receipts in 1962-63 were \$35,777,617. Only 41% came from students fees. Thirty-seven per cent came

from gifts and grants, 2% from endowment, and 18% from auxiliary enterprises and miscellaneous sources.

- Expenditures for instruction and research total 68% of income; 11% for administration and general; 3% for student aid; 5% for plant operation and maintenance; and 13% for auxiliary enterprises and other.

- Capital investment was nearly \$45 million on June 30, 1963; endowment was \$15,900,000. Both figures are growing rapidly.

- The campus consists of 111 acres and 70 permanent buildings.

- Residence halls provide rooms for 1,882 students. USC's campus chain of restaurants serves more than 7,000 meals daily, and enough coffee—2,335 pounds per month—to last the average married couple 73 years.

- More than 5,000 students use the University library each day. Doheny Memorial Library and its branches now contain more than 1,100,000 volumes.

### RECENT ACHIEVEMENTS

- Began development of a \$4 million Institute for the Study of Retirement—the nation's most extensive program for scientific study of gerontology.

- Established a two-year Specialist-Teacher Program in the School of Education which is regarded as one of the most significant developments in teacher education in the entire nation.

- Established a Research Institute for Communist Strategy and Propaganda.

- Began a teaching program in public administration in three Brazilian universities and offered graduate courses for Brazilian professors at USC.

- Established an Office of Executive Programs and the University of Southern California Research Institute for Business and Economics to provide greater educational and research service to business.

- Conducted more than 800 open heart surgeries in the School of Medicine.

- Sponsored the introduction of language courses in Chinese and Japanese in nine Southern California high schools with the assistance of a \$180,000 grant from the Carnegie Corporation of New York.

- Additionally, the University has continued to serve its community, the nation, and the world through work conducted in its subdivisions and affiliates: the Summer Session and University College; Allan Hancock Foundation for Scientific Research; Psychological Service Center; Delinquency Control Institute; TLARGI Rubber Technology Foundation; Southern California Industrial Resources Center; Computer Sciences Laboratories; Dental Clinic; Institute for Administrative Affairs (at the University of Tehran); radio station KUSC-FM; the 40-year-old Institute of World Affairs; and numerous short term institutes and conferences.

# DR. NORMAN TOPPING

## University President

Norman Topping, M.D., is in his seventh year as the seventh President of the University of Southern California. He took this office at his alma mater on Sept. 1, 1958, the second alumnus in the University's history to do so.

Dr. Topping was graduated from USC in 1933 with a Bachelor of Arts degree, and in 1936 with the Doctor of Medicine degree.

Under his leadership, faculty, trustees, and administrators of the University developed the USC Master Plan for enterprise and excellence in education. The \$106 million Plan for academic enrichment and physical growth has received more than \$1,000,000 a month in support since its announcement in May, 1961.

USC under the Topping administration has been recognized nationally with a \$6,500,000 conditional grant—largest in University history—from the Ford Foundation.

In 1962, Occidental College and UCLA each added to Dr. Topping's impressive list of professional distinctions by awarding him an honorary doctorate in recognition of his scientific, educational, and civic contribution. USC conferred a similar honor in June, 1963.

Dr. Topping is active in Los Angeles affairs, serving on committees and as a member of numerous organizations supporting civic and cultural affairs.

He recently was appointed to the new Southern California Rapid Transit District by Mayor Yorty after serving as chairman of a special committee formed to study the transit financing problem.

Dr. Topping was named "Civic Leader of the Year in the Field of Education" by Mayor Yorty, the first time this award has ever been given.

President Topping received the George Washington Honor Medal from Freedoms Foundation for his speech delivered at USC's 1963 commencement.

He has been named honorary recruitment chairman by U. S. Secretary of Labor Willard Wirtz of a program to recruit and train recent college graduates to serve as counselors in youth opportunity programs.

Dr. Topping will be the Honorary Director of the 1965 Los Angeles Industrial Fair. He is a charter member of United Way, a member of the County Commission on Human Relations' special citizens' law enforcement committee, and is on the regional board of directors of the National Conference of Christians and Jews.

Prior to accepting the presidency of USC, Dr. Topping served for six years as Vice-President for Medical Affairs at the University of Pennsylvania.

Earlier he gained a national research reputation during sixteen years in the United States Public Health Service. An expert in viral diseases, Dr. Topping served as Assistant Surgeon General and as Associate Director of the National Institutes of Health in Bethesda, Maryland. He holds the rank of Medical Director on the inactive list of the Public Health Service.

A native of Flat River, Missouri, Dr. Topping came west with his parents as a child. He was graduated from Los Angeles High School.

Dr. Topping married the former Helen Rummens of Seattle in 1930; they have two married children.

# USC'S ATHLETIC HERITAGE

Another singularly successful spring sports season raised the University of Southern California's record number of national collegiate championships won to a new high of 37 in 1964.

The U.S.-leading Trojans repeated 1963 NCAA team titles in swimming and tennis following the unprecedented athletic year in which they shattered all records by collecting four national collegiate titles—in swimming, track, baseball and tennis. Troy has twice exceeded any other school's best single-season performance on the NCAA title front, having won a trio of crowns in 1958.

USC's national leadership becomes even more impressive when it is considered that the Trojans were ineligible for NCAA competition in 1957 and again in 1959 when they fielded potential national championship teams in track, baseball, tennis, golf and swimming.

But the great athletic accomplishments have not been limited to recent years. The following is a brief review of Troy's well-balanced program and continuing dominance of collegiate athletics.

## BASEBALL

Coach Rod Dedeaux's Trojans are tops in the nation with four NCAA flags to their credit, the most recent of which came in a stunning surprise at Omaha in 1963. Troy's baseball teams also have won nine out of a possible 18 NCAA District Eight titles and picked up 11 straight California Intercollegiate Baseball Association championships before losing the 1962 title in a photo finish. USC boasts 13 first-team All-Americans in baseball since 1950, a record unparalleled in NCAA history.

## BASKETBALL

The Trojans annually field one of the West Coast's leading basketball teams. For the old Pacific Coast Conference, USC teams won five conference crowns to finish fourth within the 10-member league in that department. In the first four years of the AAWU, the Trojans advanced to NCAA Regional play during two campaigns. The 1960-61 season found the USC quintet posting a tremendous record to collect the conference crown.

## FOOTBALL

Their perfect-record season and undisputed national championship of 1962 emphasizes the Trojans' preeminent position in the college football world. In the first five years of AAWU play, USC won a championship, a co-title and picked up a trio of seconds in the well-balanced conference. And, for the old PCC, the Trojans won more titles (10) than any other member in the 43-year history of the conference. USC enters the 1964 season with the best all-time record for AAWU member schools, claiming an all-time win-loss percentage of .701. Troy has competed in more Rose Bowl games (13) than any other team and claims more Rose Bowl wins (10) than any other football team. For major intersectional play, the Trojans carry an 84-win, 52-loss and 4-tie record into the 1964 season.

## TRACK AND FIELD

Trojan track and field remains unchallenged on a national level. Competing in 33 NCAA championships, USC has emerged

**JESS HILL**  
Director of Athletics

with 22 team titles to its credit. The Trojans have won every one of five AAWU conference championships staged. Since dropping a dual meet to Oregon in 1962 to end college track's longest dual-meet win streak at 104, Troy has run up a new victory string of 23 straight. In the Pacific Coast Conference, the Trojans were defeated but once in the league meet from 1928 through 1959. Nine of the final 17 conference meet records are held by Trojans. USC athletes have accounted for a gold medal in every Olympic Games since 1912, except for the 1960 Games at Rome, and such world-class performers as Dallas Long, Ron Morris, Rex Cawley, Rink Babka, Max Truex and Mike Larrabee have recently competed for the university.

### **GREAT ATHLETES**

The list of great athletes who performed in the Cardinal and Gold uniform of a Trojan is endless. However, a few of the more prominent contemporaries include:

**JON ARNETT**—A former USC All-American who has carved an outstanding professional career as a halfback with the Los Angeles Rams.

**RINK BABKA**—One of the all-time great discus throwers. A former co-world record holder for the event and No. 2 finisher in the 1960 Olympic Games.

**REX CAWLEY**—Potential 1964 Olympic Games champ in 400-meter hurdles at Tokyo. Won NCAA 440-yard hurdles last year in 49.6, second fastest ever for race. World's No. 1 ranking intermediate hurdler in 1963. Holds five Trojan varsity records.

**RON FAIRLY**—A former USC baseball star who stepped right from the campus into a major league uniform. Now the hard-hitting first baseman for the Los Angeles Dodgers.

**AL GEIBERGER**—One of the consistent young pros of the golf circuit after being a three-year collegiate standout for the Trojans.

**FRANK GIFFORD**—Perhaps Troy's greatest gift to professional football ranks. Beginning his 12th season with New York Giants with whom he has won all-pro honors and has set numerous team records as a running halfback. All-American at USC.

**DALLAS LONG**—Recently upped his own world shot put record to a phenomenal 67'10" in US-Russia meet. Almost a sure bet to win Olympic crown at Tokyo. First high schooler to exceed 60 feet with 61'½" in 1958. Set world record of 65'10½" as Trojan in 1962.

**PARRY O'BRIEN**—The first man in history to put the shot over 60 feet and pioneer of the present shot put technique. Two-time Olympic champion (1952, 1956) who is shooting for his fourth Olympic Games berth this year.

**RAFAEL OSUNA**—Upset winner of U.S. singles title last year after playing on two NCAA champion tennis teams at USC. Member of the Mexican Davis Cup team and teamed with Trojan Dennis Ralston to win the 1960 Wimbledon doubles crown.

**DENNIS RALSTON**—One of America's top tennis players and a member of the Davis Cup team which wrested the international trophy from Australia last year. Won NCAA singles titles in 1963 and 1964 and performed for national championship Trojan team three straight years.

**MURRAY ROSE**—Considered one of the great swimmers in the history of the sport. Triple gold medal winner at 1956 Olympics in Melbourne and returned four years later at Rome to collect a gold and a silver medal. Still holds two world records and recently broke a third with 17:01.8 for 1500 meters.

**JOHN RUDOMETKIN**—Erased every USC major single game, season and career record in bringing to a close his collegiate basketball career in 1962. Now performing in pro ranks with the New York Knickerbockers.

**ROY SAARI**—Named the world's outstanding swimmer of 1963. Rated a prime candidate for the U.S. Olympic squad. Cracked the world 1,500-meter freestyle record last year and won the National AAU outdoor crown at the distance. This year led Troy to an upset victory in the NCAA championships by winning three individual titles (200-yard medley, 500-yard freestyle and 1,650-yard freestyle), all in record times.

**BILL SHARMAN**—All-time Trojan basketball great and all-pro performer with the world champion Boston Celtics until his retirement from professional basketball in 1962. Recently head basketball coach at California State College at Los Angeles.

## JESS HILL

### Director of Athletics

Jess Hill, former track and grid coach at Troy, begins his eighth year as Director of Intercollegiate Athletics at the University of Southern California.

Born Jesse Terrill Hill in Yates, Missouri, on January 20, 1907, Jess came west with his family ten years later and became one of the top athletes in Southern California while at Corona High School. From the fall of 1923 to the spring of 1925, he was awarded ten letters, in five sports—football, basketball, baseball, track and tennis.

Following his graduation from Corona in 1925, Hill attended Riverside Junior College for one year, earning letters in football, basketball, baseball and track as Riverside fielded championship teams in all four sports.

Jess entered USC in February, 1927 and continued to exhibit his all-around athletic prowess, playing football and baseball and compiling an outstanding track and field record.

He became the first Trojan in history to surpass 25 feet in the broad jump, leaping 25'  $\frac{7}{8}$ " to win the 1929 IC4A title. This mark has been bettered by only three Trojans since that date.

Also outstanding in his studies, Jess graduated cum laude following the 1930 collegiate baseball season.

Hill signed immediately to play professional baseball with the old Hollywood Stars. In his first plate appearance, he hit one out of the park at Wrigley Field to start a ten-year career in Triple-A and Major League baseball.

During the following ten years, he saw duty with the Stars (1930-31), Newark (1932), St. Paul (1933), Newark (1934), New York Yankees (1935), Washington Senators (1936), Philadelphia Athletics (1937), and Oakland (1938-39). Topped by his .356 average with the Stars in 1930, Hill wound up his ten-year playing career with a lifetime batting average of .306.

In the off-season during his professional baseball years, Jess launched his coaching career at Corona High. Just as in his playing days, he moved from Corona to Riverside JC. His next position was at Long Beach JC where he was on the physical education and coaching staff when World War II came.

Hill enlisted in the Navy in March of 1942 and served until February of 1946 when he was separated from active duty with the rank of Lieutenant Commander. Jess coached and played baseball at St. Mary's and Del Monte Pre-Flight Schools in the Naval Aviation training program and later was the director of athletics at Camp Kearney and the Clinton (Okla.) and Memphis (Tenn.) Naval Air Stations.

Jess returned to Long Beach City College after getting out of the Navy and immediately piloted the junior college baseball team to a conference championship.

Hill returned to USC in the fall of 1946 to begin a period of ten years of advancement within the athletic department. His first team at USC, the 1946 frosh football team, went through an undefeated season. In 1948 he was selected as assistant track coach, being groomed to succeed Dean Cromwell as head track coach after the latter's retirement at the end of the '48 season.

Hill had two undefeated years, 1949 and 1950, as head track coach at USC, continuing the great Trojan track heritage and winning two National Championships. He also held that post in 1962 following the sudden death of his close friend, Jess Mortensen.

Early in 1951 he was named head football coach, following the resignation of Jeff Cravath. That fall his first varsity football squad won 7 while losing only 3, its most notable win coming over California by a 21-14 score, breaking the Bears' three-year win streak within the conference.

The following season Hill steered the Trojan varsity through an undefeated conference season and a 7-0 win over Wisconsin in the Rose Bowl Game. That win is only one of three PCC victories over the Big Ten in the Pasadena game since the Bowl pact began. That '52 Trojan squad was acknowledged to be one of the finest defensive teams in modern football annals.

Hill's six-year record as head football coach at USC was 45 wins, 17 losses, and 1 tie for a .722 winning percentage.

On September 1, 1957, Hill officially succeeded Willis O. Hunter as director of athletics.

Jess is married to the former Elizabeth Helen Glass. They have two children, Mrs. Mary Bett Carter, a USC graduate, and Jess Jr., 23, a graduate of USC and currently enrolled in the USC Graduate School of Business Administration. The Hills reside in West Los Angeles.

## **JOHN McKAY**

### **Head Football Coach**

John McKay was born July 5, 1923, in Everettville, West Virginia, and received his secondary education at Shinnston High School, graduating in 1941. As a prep, he was accorded All-State honors in both basketball and football.

Following his graduation from high school, he entered the Air Force, seeing action as a tail gunner with the 20th Air Force in the Pacific. He was separated from the service in 1945.

A 1950 graduate of the University of Oregon, McKay capped a brilliant college career by leading the 1948 Webfoots in scoring and playing a key role in their march to the Cotton Bowl. He was a halfback in the backfield quarterbacked by Norm Van Brocklin, later pro great and present coach of the Minnesota Vikings. In addition to being named to the All-Coast first team, he received All-American mention for the 1948 campaign.

Immediately following graduation, McKay began his coaching career as an assistant to head coach Jim Aiken at his alma mater. When Len Casanova took over Oregon coaching reins in 1951, he retained his assistant's post and remained through the 1958 season.

During mid-summer 1959, McKay was persuaded by USC head coach Don Clark to join the Trojan staff as backfield coach. Although a member of the staff for less than a year, he was a popular choice to replace Clark as USC head coach on Dec. 16, 1959, thus becoming the 16th head football coach in Trojan history.

**JOHN McKAY**  
Head Football Coach

McKay's teams have posted a four-year record of 26-14-1 against some of the nation's outstanding elevens and have never finished worse than second in the AAWU conference race. In 1962 he guided the Trojans to their first undefeated season in 30 years (11 straight victories), to the undisputed national championship and to a thrilling 42-37 Rose Bowl win over Wisconsin. He was rewarded with the highest acclaim in the coaching profession: election as Coach of the Year by the American Football Coaches Assn.

McKay is married to the former Nancy Hunter. They have four children: Michele, 12; John Jr., 11; Theresa, 9; and Richard, 5. The McKays reside in West Covina.

McKay's head coaching record at USC:

## **RAY GEORGE**

### **Senior Assistant Coach**

Still ranked as an all-time Trojan line great, Ray is in his twelfth season as a member of the USC coaching staff.

He was born on January 17, 1916, in St. Louis, Mo., and attended high school at Loyola in Los Angeles. While at Loyola, he was an All-Catholic League lineman and also was an outfielder in baseball and a weightman on the track team.

Following his graduation from high school, he enrolled at Cumnock Prep school before entering USC as a freshman in 1935. Although never gaining consensus All-American mention, George was never outplayed in three years of varsity football at USC. He took a prominent part in the 1938 win over hitherto unbeaten Notre Dame and the 1939 defeat of Duke in the Rose Bowl. A three-year varsity letterman, he was also awarded the Davis-Teschke Most Inspirational Award for the 1938 season and the Trojaner Diamond Award as the outstanding graduating athlete.

Following his graduation from USC, Ray then played two years of professional football—with the Detroit Lions in 1939 and the Philadelphia Eagles in 1940.

He joined the coaching ranks in 1941 at Porterville High School and mentored such future Trojans as Russ Antles, Willard Wall, and Don Garlin. Entering the service in 1942, he ultimately attained the rank of Lieutenant. He served at St. Mary's Navy Pre-Flight, where he played football in 1942, and then at the University of Washington flight prep school. He also served 16 months on the carrier, the U.S.S. San Lo, and then in 1944 was back at Iowa Pre-Flight where he played football.

Ray first joined the Trojan coaching staff as line coach in 1946 and served in that capacity through 1950. He moved up to the head coaching job at Texas A & M in 1951 and coached the Aggies for three seasons. He retired from the coaching ranks following the 1953 season and went into private business. Don Clark persuaded the popular assistant coach to rejoin the USC staff for the 1958 season. The veteran football coach also serves as McKay's senior assistant.

He is married to the former Martha Folsom, a graduate of USC. They have two sons, Jack, 20, a first-year student in the School of Dentistry at USC, and Greg, 15. They reside in Corona del Mar.

## **MIKE GIDDINGS**

### **Assistant Coach**

Mike joined the Trojan Athletic Department in the summer of 1961.

Born November 16, 1933, in Los Angeles, he attended South Pasadena High School and recorded an impressive prep record as an all-around athlete. A varsity letterman in football, basketball and baseball, he was named to the 1950 All-Foothill League football team and was the top hitter on the school's baseball team.

Following his graduation from South Pasadena High School in 1951, he enrolled at the University of California at Berkeley. While at California, he won varsity football letters for the 1953 and 1954 campaigns as a guard and tackle.

Graduating from California in 1955, he immediately entered the Marine Corps with a commission as a Second Lieutenant. Serving for six months at Quantico, Virginia, and for one-and-one-half years at Camp Pendleton, he was discharged in July of 1957 with the rank of First Lieutenant. While in the Corps, he played football for both the Quantico and Pendleton teams.

The 1957 season found Giddings beginning his coaching career at Monrovia High School. He guided the Monrovia "B" team to two successive undefeated seasons (8-0 in 1957 and 9-0 in 1958) and two Pacific League titles. Prior to the 1957 crown, the "B" team had never won a league championship. Moving up to the varsity in 1959, he led the prep team to an 11-1 season record and another Pacific loop title, the school's first since 1951.

His outstanding record at Monrovia won him a promotion to the head coaching post at Glendale City College in 1960. He guided the City College squad to their best record in history (7-2). Prior to his move to Glendale, the football team had won only two games in two years.

He and his wife, Donna, have three children, Victoria, 9, Jacqueline, 6 and Mike, 2½ years. They reside in Newport Beach.

## MARV GOUX

### Assistant Coach

After serving as head freshman coach and assisting with the varsity team since joining the staff in 1957, Marv moved up to the post of a full-time varsity assistant prior to the 1961 season.

Marv was born September 8, 1932, in Santa Barbara. Still listed as an all-time prep great in his home town, he was accorded both C.I.F. and All-American honors.

He spent the 1951 season at Ventura JC, where he again won All-American honors as a linebacker. Transferring to USC in 1952, he became an immediate varsity standout, starring as a linebacker under the two-platoon system and playing in the Rose Bowl win over Wisconsin. A back ailment kept him out of action in 1953, but the inspirational Goux came back stronger than ever in 1954 to take over the starting center job, although he had never played offensive center before. He won his third varsity letter in 1955.

Goux, although relatively small for a lineman, made up for his size deficiency with tremendous desire and now ranks as one of the most inspirational footballers in Trojan football history. He is one of only two USC gridgers to twice win the Davis-Teschke Award as the most inspirational varsity footballer. Marv also co-captained the 1955 squad.

Following his graduation, Marv took over the head coaching job at Carpinteria High School. The prep team posted a 9 win, 1 loss record and went to the 1956 small school, C.I.F. finals. He joined the Trojan coaching staff in 1957.

He is married to the former Barbara Groth. They live in Encino with their six-year-old daughter, Linda Marie.

## **CHARLIE HALL**

### **Assistant Coach**

Charlie is in his fifth year as a Trojan assistant, joining the USC staff following a brilliant Junior College coaching career.

He was born February 4, 1924, in Dallas, Texas, and attended Highland Park High School in that city. As a prepster, he was a two-year football and basketball letterman.

Following his graduation in 1942, Charlie entered Texas A&M. Spending only one season at that institution, he entered military service in January, 1943. Serving with the Sixth Army in the South Pacific, he spent one year in New Guinea and one year in the Philippines before his discharge in January of 1946.

Immediately following his discharge from the service, Hall entered Whittier College. He was an immediate varsity standout in both football and baseball, winning varsity football letters in 1946-47-48 and baseball letters in 1946-47-48-49. He captained the 1949 Poet baseball squad.

Obtaining a degree in Physical Education, he spent the 1949 and 1950 seasons doing graduate work at Whittier, obtaining a secondary credential and an M.A. in Physical Education.

He began his coaching career as a P.E. instructor in the Norwalk City School system in 1951, serving in that capacity through the 1953 season. He joined the Bellflower High School football staff in 1954 and moved up to head coach at that school in 1957. Hall moved to Cerritos Junior College in 1958 and served as assistant backfield coach at that school for two seasons before his move to USC. Hall is given much of the credit for the Falcons' fine showing in 1958 and 1959, with the JC eleven posting identical 8-1 records and winning the Western States Conference title in 1958 and earning a co-title in 1959. He joined the USC staff for the 1960 season.

He is married to the former Joy Branstetter, also a graduate of Whittier College. The Halls have two children, Catherine, 15; and Jennifer, 13. They reside in Whittier.

## **MEL HEIN**

### **Assistant Coach**

One of pro football's all-time greats, Mel is starting his fourteenth season as an assistant USC coach.

Hein was born August 22, 1909 in Redding, Calif. The family moved to Washington when he was still quite young. He graduated from Burlington High School in 1927 and was chosen All-Skaqit County tackle in his senior year.

He attended Washington State College, graduating in 1931. He was an All-American choice in 1930 when he led the Cougars to a 7-6 upset over USC and into the Rose Bowl. Hein rates as the greatest pivotman developed in the Pacific Coast Conference and was selected to football's Hall of Fame.

Mel joined the New York Giants in 1931 and held down the center spot until his retirement following the 1945 season. He was eight times an All-Pro selection. The following season he began his coaching career at Union College in Schenectady, N.Y. He was recently named to Pro Football's Hall of Fame.

In 1947, he joined the Los Angeles Dons as line coach and served two seasons with them before moving to the New York Yankees for the 1949 campaign. In 1950 he came to the Los Angeles Rams in a similar capacity on the Western Division champions that year. He joined the USC staff in 1951.

He is married to the former Florence Porter and has two children, Sharon Lynn Gilbert, a USC graduate, and Mel, Jr., also a USC graduate and former outstanding pole vaulter for the Trojans. The Heins make their home in South Pasadena.

## **DAVE LEVY**

### **Assistant Coach**

Dave is another of the five-year members of Johnny McKay's coaching staff.

He was born October 25, 1932, in Carrollton, Missouri. His family moved to Long Beach shortly thereafter. He attended Long Beach Poly High School, where he won All-City honors as a tackle in football and with the track team as a weight man.

Following his graduation from high school in 1950, he attended Long Beach City College. Performing on the 1950 and 1951 City College teams, he played with George Timberlake, who later won fame as a linebacker with the Trojans.

The 1952 and 1953 seasons found Dave at UCLA. A two-year letterman, he played for the Bruins in the 1954 Rose Bowl game.

Graduating from UCLA in 1954, he spent the 1954 football season as a freshman assistant at UCLA. He moved on to Long Beach City College as a student assistant in 1955.

He assumed duties as line coach at Long Beach Poly in 1956 and took over as head coach at his alma mater in 1957. During his three-year stint as head coach, his teams had an overall record of 28-1-3, including CIF championships for the 1958 and 1959 seasons. His lone loss at Poly came during the 1957 campaign.

While head coach, he was credited with producing such nationally ranked prep stars as tackle Jim Smith (1957), half-backs Dee Andrews (1958) and Willie Brown (1959), and tackle Mike Giers (1959).

He made the move to the collegiate ranks by joining McKay's staff for the 1960 campaign.

He and his wife, the former Marlys Bray, have two children, John, 8½; and Robert, 5. They reside in Long Beach.

## **JOE MARGUCCI**

### **Junior Varsity Coach**

This is Joe's sixteenth year as a member of the USC athletic staff.

Margucci was born September 5, 1922 in New York City. The family moved to Los Angeles a few years later. Joe graduated from Franklin High School in 1940, winning All-City honors. Following two years of junior college ball at Santa Ana, he went into the Air Force for four years.

Discharged from the service in 1946, he signed to play pro ball with the L.A. Bulldogs. Following two seasons with the local pros, he switched to the Detroit Lions for the 1948-49 seasons.

Receiving his bachelor and master's degrees during the off season at USC, Joe started his coaching career at Loyola High School in 1949. He moved over to Marshall High School the next season as head football coach and remained there until 1953, when he went to Denver University to coach the backfield.

Joe, who serves chiefly as a part-time Trojan scout, took over the Junior Varsity duties in 1954.

He and his wife, Ann, have three children, Jo-Ann, 15; Matt, 13; and Joe Jr., 9. They live in Van Nuys.

## COACH'S COMMENTS

The following brief summary is a rundown on Trojan prospects for the fall. All comments were made by Head Coach John McKay and may be directly quoted to him.

### USC'S OFFENSE

The Trojans again will employ the shifting-T offense.

### DEPARTMENTAL ANALYSIS:

Running	— Average-to-Strong
Passing	— Average
Kicking	— Weak
Ground Defense	— Average-to-Strong
Pass Defense	— Average-to-Strong

### POSITION ANALYSIS:

Ends	— Strong
Tackles	— Average
Guards	— Average
Centers	— Average
Quarterbacks	— Average
Halfbacks	— Average-to-Strong
Fullbacks	— Average

### RATING 1964 AND 1963 TEAMS:

With the loss of 19 seniors from the 1963 team, among them some of the finest football players in the history of the university, we cannot hope to have the depth we have had the last two years. If we can successfully replace these departures, including those players who helped bring us the national championship in 1962, we should field a good college football team in 1964. However, many of the boys who will be called on to play a great deal this fall will be playing their first football for the Trojans.

### OUTSTANDING FOOTBALLERS FOR 1964:

Offensively, our outstanding football players will be halfback Mike Garrett, guard Bill Fisk and end John Thomas. Defensively, the leading performers should be linebacker Ernie Pye and linebacker-fullback Eddie King.

### OUTSTANDING NEWCOMER:

Quarterback-safetyman Rod Sherman, transferring in from junior college, is an exceptional defensive football player who needs only experience to become a fine quarterback.

### TEAMS TO BEAT IN THE CONFERENCE:

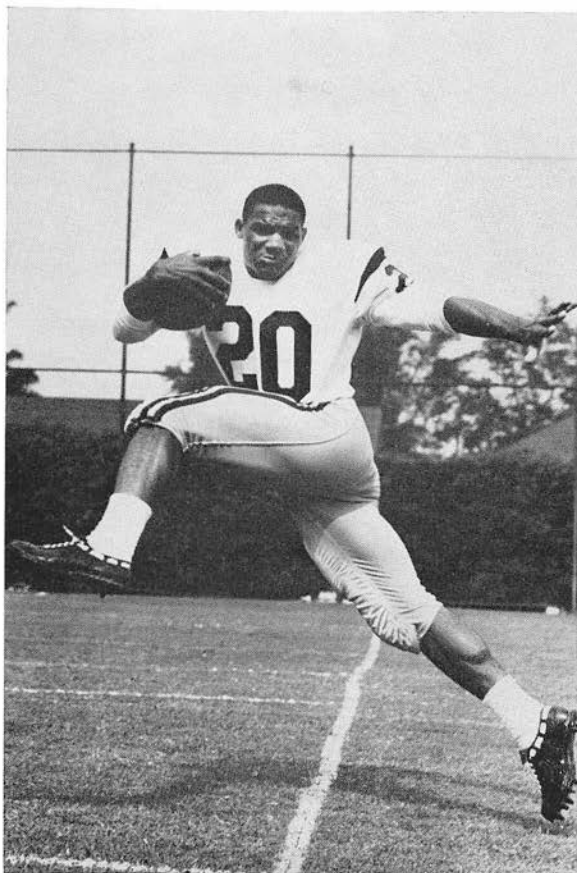

With the recent additions to the conference, it is extremely difficult to evaluate its strength. But it appears that all teams will be improved judging by the number of lettermen returning at each school.

### TOUGHEST TEAM ON SCHEDULE:

Again we are confronted with one of the most demanding schedules in the country. As I said last year, pick any team on the schedule and it will be tough for the Trojans.

## OUTSTANDING PLAYERS USC WILL MEET IN 1964:

Jim Grisham, Oklahoma fullback; Ralph Neely, Oklahoma tackle; Steve Juday, Michigan State quarterback; Don Unverferth, Ohio State quarterback; Tom Bugel, Ohio State linebacker; Craig Morton, California quarterback; Tom Blanchfield, California halfback; Rick Redman, Washington guard; Junior Coffey, Washington fullback; Bill Douglas, Washington quarterback; Dick Ragsdale, Stanford halfback; Larry Zeno, UCLA quarterback; Kent Francisco, UCLA tackle; Bill Wolski, Notre Dame halfback; Jim Carroll, Notre Dame guard.

# TROY'S SHIFTING-T OFFENSE

Trojan football for three years has presented one of the nation's most exciting offenses with the shifting-T formation first introduced by Coach John McKay in 1961. Troy again will employ the same attack with minor modifications during the 1964 season. The following is a brief description of the shifting-T offense.

## THE TROJANS WILL LINE-UP ACCORDINGLY

X-or-LE	LT	LG	C	RG	RT	Y-or-RE	
○	○	○	C	○	○	○	
			○ QB				○ Z-or-RH
			○ FB				
			○ LH-or-remaining-back				

## AND, AS AN EXAMPLE, THE TROJANS WILL THEN SHIFT INTO

○	○	○	C	○	○	○	
			○				○
		○			○		
		LH			FB		

## HIGHLIGHTS OF THIS SHIFTING-T FORMATION

There will be numerous variations to the above general formation, with the split (or X) end flopping-over to the right side occasionally.

The split (or X) end will always be split. The man normally designated as the left end will always be the split or X end.

The Y (or right) end will always line-up tight next to his tackle. Depending on what side the X end splits out, the tackles and guards will be designated as strong or weak tackles and guards, with the tackle and guard on the side of the split end being designated as the weak side and the tackle and guard on the side where the Y end plays in tight being designated as strong tackle and guard.

The fullback and remaining back (normally the left halfback) will shift into a stance approximately two-yards behind and to the side of the quarterback.

The fullback will normally shift to the right side of the quarterback.

The flanker back (normally the right halfback) will be referred to as the Z back.

**HIGHLIGHTS:** The Trojans opened defense of their national title with a victory, but it wasn't an easy one over a team that had won but two games the season before. . . . Rain, mud and long grass made the going rough for nearly everyone but sophomore Mike Garrett and senior Pete Beathard. . . . Garrett made his debut a successful one by slashing for 58 yards in 11 carries to lead the ground gainers and quarterback Beathard scored both touchdowns from five yards out. . . . Pete could complete only six of 19 passes, however, and had two intercepted, which was one more than opponents swiped off him the whole 1962 season. . . . Both teams fumbled in the wet stuff with the Buffaloes losing the ball six times and the Trojans once. . . . USC was also guilty of dropping several passes, and the Trojans, in addition, were penalized 12 times for 107 yards. . . . One of those penalties nullified Beathard's 20-yard TD run just before the half ended and another cost Troy a 64-yard pass-run play from Beathard to Bedsole which ended on the Colorado 1-yard line.

**HIGHLIGHTS:** Like all good things, the Trojans' win streak finally ended at 12 as the Sooners used reverses, double reverses and pitch-outs to build up a 17-6 halftime lead which they held against the defending national champions. . . . The game was played in 117-degree heat on the floor of the Coliseum which apparently had no adverse affect on the lads from Oklahoma. . . . Huge halfback Joe Don Looney was the big gun for the visitors, picking up 62 yards in 12 carries, including a 19-yard scamper for the first Sooner touchdown. . . . Mike Garrett, for the second straight game, topped the Trojans in yards gained with 72 in eight carries. . . . Pete Beathard was again on target for Troy, but the receivers weren't catching the ball as USC missed several scoring opportunities. . . . Oklahoma, with long sustained marches, also penetrated deep into Trojan territory, but Troy was able to stop the Sooners in the second half. . . . Several Beathard-to-Willie Brown passes and a couple of runs by Garrett set up fourth quarter TD. . . . For his performance, Damon Bame was named the collegiate lineman of the week by Associated Press.

**HIGHLIGHTS:** The Trojans played their best single quarter of the season to date as they scored two quick touchdowns in the final period to pull out their second win of the season. . . . It was sensational sophomore Mike Garrett who thrilled the night-game crowd with a couple of fantastic runs, including a 52-yarder for USC's first score. . . . The little halfback had quite a night, picking up 118 yards on 10 tries to lead all rushers. . . . Lou Bobich's 38 yard, soccer-type field goal provided the entire first-half scoring as Troy accounted for only 18 yards rushing before intermission. . . . Spartan scatback Sherman Lewis, who was to earn All-American honors, scampered 88 yards with a screen pass in the third quarter and it looked like Troy might absorb its second straight defeat. . . . But after Garrett's touchdown, Willie Brown teamed with Beathard on a 51-yard pass play, and two plays later, Beathard fired a 16 yarder to Hal Bedsole in the end zone. . . . It was the first reception of the year for the Trojan All-American end.

**HIGHLIGHTS:** This was easily the Trojans' finest performance to date. . . . In notching USC's sixth consecutive win over a Big Ten team, John McKay's forces regained much of the sparkle that brought them the national championship the previous year. . . . It was also the worst defeat for Woody Hayes in his 13 years at Ohio State. . . . Long runs by Willie Brown, Mike Garrett and Tom Lupo plus the fine passing of Pete Beathard and Craig Fertig paced the USC assault. . . . The Trojans not only rang up more than 400 yards in total offense, but swiped four enemy passes during the afternoon.

**HIGHLIGHTS:** The Trojans picked up where they left off against Ohio State the previous week, scoring three times in the first 16 minutes of this AAWU opener. . . . It was chiefly an aerial show with Cal's Craig Morton dueling Pete Beathard and Craig Fertig. . . . Fertig, Troy's No. 2 gunner came out on top, tossing for two touchdowns while Beathard sat out much of the contest with an injured ankle. . . . The Bears' only threat was Morton's 10th touchdown pass of the season in the third quarter. . . . Victory was costly for the Trojans, who lost center Larry Sagouspe for the season with a knee injury.

**HIGHLIGHTS:** The Huskies waited a whole year to atone for the 1962 loss to the Trojans in Los Angeles, and revenge was particularly sweet. . . . The victory gave Washington an inside track to the Rose Bowl which it never relinquished, despite sputtering against UCLA later in the season. . . . Disaster struck USC early on the muddy gridiron as Koll Hagen blocked Ernie Jones' punt with just 1:42 gone and Mike Briggs fell on the ball in the end zone for a touchdown. . . . The Trojans struck back to tie it, but the momentum was with the Huskies, who led, 16-7, at halftime, thanks to a 45-yard line drive field goal by Jim Norton and the field generalship of Bill Douglas. . . . Douglas completed eight of 12 passes and engineered a devastating ground game in the heavy going with the help of the Washington offensive line. . . . Mike Garrett led the ground gainers with 89 yards and Pete Beathard sustained a back injury that was to keep him out of the next two games.

**HIGHLIGHTS:** Troy had to stage a second half rally to offset an 11-point Stanford halftime lead to win its fifth game of the season against three losses. . . . Quarterback Craig Fertig, going all the way in the absence of injured Pete Beathard, led the Trojans, completing 12 passes of 21 for 122 yards. . . . The big play came in the fourth period when the Indians, leading 11-8, took a deliberate safety with a fourth down situation on the 11. . . . Coach John Ralston called the play in order to get a free kick from the 20 and better field position. . . . The plan exploded, however, when Mike Garrett returned the kick 44 yards to the Tribe 30 and the Trojans went on to score what proved to be the winning touchdown.

**HIGHLIGHTS:** In their final game in 1963, the Trojans put on a brilliant offensive show against their cross-town rivals, hoping Washington State could upset Washington the same afternoon and put USC back in the Rose Bowl. . . . Troy rolled up a fantastic 530 yards. . . . Pete Beathard, returning to full-time duty for the first time in two weeks, closed out a remarkable USC career with 14 completions in 22 attempts and one touchdown. . . . Mike Garrett climaxed a sensational sophomore season by gaining 119 yards in 12 carries and Willie Brown turned in a sparkling all-around performance. . . . The Bruins used the forward pass as their chief weapon with Larry Zeno and Steve Sindell throwing to main target Kurt Altenberg, who hauled in eight for 166 yards. . . . The Trojans won impressively, but so did Washington, and the Huskies went to the Bowl.

Tommy MacDonald, who swiped a Pete Beathard sideline pass and returned in 62 yards for the first Notre Dame TD, and unheralded halfback Bill Wolski, who picked up 87 yards and scored another, were the other Irish heroes. . . . The Trojans staged two long drives with Pete Beathard teaming with end Hal Bedsole on pass receptions. . . . Willie Brown made the catch of the day, a one-handed 21-yard grab in the third period.

## INTERSECTIONAL RECORD

Trojan gridgers—now in their 76th season of football competition—have gained the reputation through the years of being a perennial power on the gridiron. A look at USC's intersectional record bears out the claim.

The Trojans will enter the 1964 season with an enviable 84 win, 52 loss, and 4 tie record for intersectional games. This mark includes a 9-3-0 record against intersectional foes in Rose Bowl games.

The Trojans also claim an advantage over every major conference.
